

Accredits Medical Centers that conduct medical examinations of migrant workers

The gulf council for cooperation council states has called for applications for accreditation of medical centers for medical examinations of expatriates from Sri Lanka covering Colombo, Kurunegala, Anuradhapura and Kandy regions.

Hence, the licensed medical centre are hereby informed to apply for accreditation by visiting the website of the expatriate medical examination program (www.gcchmc.org) and filling out the application form (apply for GHC accreditation).

Applications are invited from interested medical centers until 31st March 2021.

For more information, the relevant authorities may be contacted through info@gcchmc.org
