

Registration of qualified public and private institutions to assess the skills of potential Sri Lankan workers in the Israeli construction industry.

An opportunity has arisen for Sri Lanka workers to employ in the construction industry in Israel. Accordingly, public and private institutions accredited by the Tertiary and Vocational Education Commission are invited to register with the Sri Lanka Bureau of Foreign Employment to assess the skills of the prospective workers in iron bending (bar bending), tiling, shuttering-carpentry, and plastering in the construction industry.

Interested parties are requested to submit their application by 24.03.2024, via mail given below. The relevant application for registration is attached herewith.
