

Special Notice

Notice to all Job Seekers who have passed the Korean Language Test under the Employment Permit System (EPS) and whose names remain on the Job Seeker Roster on the Human Resources Development Service of Korea (HRDK), Website

After passing the Korean Language Test, the details of eligible job seekers are entered into the Human Resources Development Service of Korea website and, upon approval by the Human Resources Development Service of Korea (HRDK), the selection of job seekers from the job-seeker roster is carried out by Korean employers.

However, there are instances where some job seekers, despite being selected by employers and receiving employment contracts, decline to proceed with employment in the Republic of Korea due to various reasons.

As a result, Korean employers face considerable difficulties, while delays may also occur in the entry into the Republic of Korea of job seekers who are scheduled to depart for employment. Furthermore, such situations may adversely affect the opportunities of other job seekers to receive employment contracts. Human Resources Development Service of Korea (HRDK), has formally informed the Sri Lanka Bureau of Foreign Employment (SLBFE) of these concerns.

Therefore, if you do not wish to remain on the job seeker roster on the Human Resources Development Service of Korea (HRDK), website for any reason, you are kindly requested to submit a signed written request to the Computer Unit of the Korean Recruitment Division, Sri Lanka Bureau of Foreign Employment, through the following email address:

Email: koreanit2026@slbfe.lk

Further, Human Resources Development Service of Korea (HRDK), has informed that job seekers who are removed from the job seeker roster on the Human Resources Development Service of Korea (HRDK) website, **will not be permitted to re-register on the website under the same examination scheme for any reason.**

Your cooperation and support in this regard are highly appreciated.
